RE: CONTAMINANT RELEASE
FROM PLANT 1 PAD

CERTIFIED MAIL

Mr. Ray Hanson
Deputy Site Manager
DOE-FMPC
P.O. Box 398705
Cincinnati, Ohio 45239

Dear Mr. Hanson:

The Ohio EPA acknowledges receiving verbal information and a press release concerning the recent releases of RCRA mixed hazardous waste from the Plant 1 pad. In addition, Ohio EPA expects a written report detailing events that led to the discovery of these releases, the nature of the material released, and steps DOE has taken to prevent further releases. Please submit this report to Ohio EPA by March 9, 1990.

Sincerely,

Graham E. Mitchell
Ohio EPA FMPC Coordinator
